

Ocean Challenge

Teaching Guides

I have:

40 mins–1 hour

I don't have much time, but I'm in! I can't not do this with my students.

I'm interested in

an approach that is: **simple and straightforward**

Here's a Teaching Guide to help you choose resources to build a great Challenge experience for your team. Before getting started, make sure you've registered your team at www.studentsrebuild.org/register.

Time	Activity	Resource
5 min	Introduce the Ocean Challenge Watch the Ocean Challenge Intro video.	<ul style="list-style-type: none"> • Ocean Challenge Intro video
5 min	Explain how the Challenge works Share the Ocean Challenge Overview as a take home sheet if you're able to print a copy for each student. If not, you can talk them through it. If you've already registered, you can show your team where they are on the map. If you haven't registered yet, come up with a fun name together!	<ul style="list-style-type: none"> • Challenge Overview
25–45 min	Make Art Watch our Ocean Art video to inspire your students to come up with ideas. Do you want to guide your team to create a shared marine community or just make individual sea creatures inspired by their creativity? Use the Making Art Guide to support various creative approaches to the art. Make art (and waves)!	<ul style="list-style-type: none"> • Ocean Art video • Making Art Guide <p><i>Recycled materials and supplies needed for art making</i></p>
5 min	Closing Count and collect student art for submission. Submission can be done online at: www.studentsrebuild.org/submit After submitting, you will be able to see on your Team Dashboard page the amount of funding you helped raise to support coastal communities and ocean conservation. As you wrap up, ask your team to consider one thing they might do to impact the ocean. Hand out participation certificates.	<ul style="list-style-type: none"> • Participation certificate

40–60 Minutes Total
